

VISION & MISSION

Our vision is to be a **long-term business builder** that delivers **superior value** to all our internal and external stakeholders.

Shareholder

We seek to create long-term value for our shareholders through delivering strong and sustainable returns.

Business Units

We help our businesses deliver unique and high quality products and services to our customers through our expert leadership, willingness to invest talent, efficient infrastructure and effective operational processes.

Business Partners

We create and nurture mutually rewarding long-term partnership with our suppliers, consultants, business associates and customers.

Employees

We aim to be an employer of choice through maintaining a good working culture and adopting a genuine interest in the long-term career development of our staff.

Community

We aim to enrich the lives of the communities in which we operate.

OUR VALUES

As a conglomerate comprising multiple brands, we are united by a common set of **corporate values** that lead us forward.

Excellence

We make decisions and formulate strategies based on objective facts. We try our best to have a thorough understanding of our businesses and the markets in which we operate so that we make decisions that are well thought-through.

Forward Thinking

We adopt a long-term view of our businesses and the markets that we operate in, and we are conscious of the long-term effects of the decisions we make.

We adopt high standards in all that we do so that our businesses consistently deliver high quality products and services.

People Driven

Our people are the ones who power the organisation. As such, we try our best to recruit, groom and retain people who have good character, are committed to the organisation, and are highly skilled in their areas of expertise.

Humility & Respect

In all our internal and external dealings, we seek to create an environment of mutual respect by demonstrating humility, appreciation and cooperation.

Integrity

We are dedicated to building strong relationships that are mutually beneficial to all our stakeholders and us. Even in the most challenging situations, we behave in a professional and ethical manner.
