

Jumpstart Media: Editorial/Content Creation/Layout Design Specialist

Jumpstart Magazine (jumpstartmag.com) is currently looking for a full time editorial/content creation/layout design specialist. Applicants must be a recent graduate within the last 2 years.

Jumpstart is Hong Kong's first and only print and digital publication dedicated to the Hong Kong Startup Ecosystem. Jumpstart is available at over 350 Hong Kong venues including co-working spaces, chambers of commerce, VC firms, private clubs, hotels and numerous other locations.

Job Specifications:

We are looking for someone with editorial, and layout design skills. Knowledge of Photoshop and InDesign is a strong plus. Duties will include but not limited to the following:

- Editorial and content project management
- Using InDesign to layout articles
- Attend community events, write short articles and interview relevant startups
- Understanding of basic Wordpress is a plus

Requirements

- Major in Journalism, English or Marketing is preferred but open to all majors.
- Working knowledge in Photoshop and InDesign
- Strong English skill
- Self-motivated with minimal supervision
- Chinese language skills preferred but not necessary
- Familiarity with Illustrator, Dreamweaver and WordPress is a plus

Application Deadline:

May 29, 2017

Application Method:

Please send cover letter & CV to James at james@jumpstartmag.com. Only shortlisted candidates will be notified.
