

Accounts Manager at FeedMe Guru

FeedMe Guru is an online destination for exclusive dining experiences, featuring tasting menus from top restaurants in Hong Kong and beyond. We work with many leading F&B groups in Hong Kong, such as Swire Restaurants, JW Marriott, Peninsula Hotel, Maximal Group, JIA Group, and many more. We have just won the HKICT Best Lifestyle Grand Award as well as Gold Award. We are also a incubatee of Cyberport Incubation Program.

Job Description

Our Accounts Manager will take the lead on expanding our brand and media partnership, and spearheading large scale campaigns with organizations like Uber, Deliveroo, etc. Our Account manager will also take care of other Marketing operations.

This role will also involve executing marketing campaigns for these restaurant partners.

- Degree holder in Accounting, Marketing or Business-related disciplines
- 2 years of experience in Admin, Marketing and / or Accounting roles
- Proven track record of performing well and generating revenue for a business
- Excellent writing and communication skills in English and Chinese

What You Will Get

- Gain valuable contacts in the food & beverage, media and luxury lifestyle industries
- Exposure to the design and execution of marketing and social media campaigns
- Opportunity to make a real impact in the company's overall direction
- Attractive remuneration and benefits for the right candidate

Application requirements

Please specify your date of birth, career goals, current job, why you would fit in with FeedMe Guru, how you can contribute and your expected salary.

If you think you have got what it takes, please email your CV to admin@feedmeguru.com

Engineer at FeedMe Guru

FeedMe Guru is an online destination for exclusive dining experiences, featuring tasting menus from top restaurants in Hong Kong and beyond. We work with many leading F&B groups in Hong Kong, such as Swire Restaurants, JW Marriott, Peninsula Hotel, Maximal Group, JIA Group, and many more. We have just won the HKICT Best Lifestyle Grand Award as well as Gold Award. We are also a incubatee of Cyberport Incubation Program.

Job Description

Our Engineer will work closely with the technology team and the founders to design and implement UI / UX changes to the website and mobile app.

- Familiarity with core graphic design principles (typography, form, color, composition, imagery)
- Familiarity with Bootstrap, HTML 5, CSS 3 + SCSS, Javascript (jQuery), PHP
- Basic understanding of server-side and front-end code stack
- Writing clean, maintainable code while rapidly iterating and shipping
- Confidence in your design and a willingness to learn new skills
- Ability to adapt quickly to changes and feedback
- Excellent communication skills in English and Chinese

What You Will Get

- Exposure to the design and execution of the UI / UX of a fast-growing company
- Work closely with other members of the technology team on all aspects of the front end and back end design and implementation of FeedMe Guru's various platforms
- Attractive remuneration and benefits for the right candidate
