

Applications to Eureka Nova Incubation Programme now opens!

Eureka Nova offers startups the ideal platform to grow their business with the backup of a leading cultural institution. We offer a 12-month integrated enterprise support programme, helping startup hopefuls to turn ideas into successful and sustainable business.

Our Edge:

- Fully backup by New World Group, a leading cultural institution
- Access to real business operations for product and market validation
- Workspace to connect and collide with like-minded entrepreneurs

If you are:

A startup with a registered entity, planned to launch your product or service in 12-24 months, and

A business related to STEAM (Science, Technology, Engineering, Arts and Mathematics) provides innovative & disruptive business solution.
