

**Agnus Consulting Limited**

# Post for Leadership Development Consultant / Junior Consultant

## Who we are

Based in Hong Kong, [Agnus Consulting](#) serves clients globally on topics of leadership and organizational transformation. We support our clients in their quest to tackle their toughest challenges, with firm dedication to deliver high performance and maximum impact. Value-driven, we believe that our success is the results of our clients' success. We build lasting relationships with industry leaders to shape world-class organizations.

## What it's like to be part of Agnus Consulting

At Agnus Consulting, you will have the opportunity to work with top organizational development professionals in developing leaders and transforming organizations around the world. We will challenge you and invest in your professional development. We expect you to be keen to learn and embrace challenges which will help you grow professionally and make a positive impact in the society.

## What we look for in our prospective team members

We look for candidates who are eager to work with a small, rapidly growing team to shape a new organization. You need to be able to thrive in an entrepreneurial environment where you can contribute to growing the impact of our service. You need to be flexible and independent. Above all, you need to have character: total integrity, professionalism and an attitude of servant leadership.

To find out more, or to signal your interest in our positions, please email [career@agnusconsulting.no](mailto:career@agnusconsulting.no).

## Consultant

### **Responsibilities**

You will:

- Support in designing, managing and delivering leadership development programs for organizations in the public, private and social sectors. The delivery of programs will largely be in Asia
- Engage with clients
- Undertake other responsibilities of the company in areas where your skills and interest match the need of the company, e.g. marketing, project management, etc.

## **Requirements**

You need to:

- Have a deep interest in leadership development or other relevant work (e.g. executive coaching, teaching, organizational development). Exposure and experience in the relevant work preferred but not a must
- Be passionate about people and organizational development
- Be independent and self-motivated
- Be fluent in English and Mandarin, working proficiency in Cantonese is a plus
- Be a graduate of top universities with an outstanding record of academic achievements (Master's degree preferred)
- Be willing to travel, mainly within Asia
- We can tailor the role to your level of experience and grow you from where you are; fresh graduates are welcome to apply

## **Remuneration**

We will offer attractive remuneration packages depending your level of experience.

## **Application Deadline**

Please apply as soon as possible
