

2017 Banking Full-time Graduate Analyst – Fixed Income Syndicate

Join the world of banking

Every day, corporations worldwide come to Barclays for our banking expertise. We help drive global commerce by providing comprehensive financial, advisory and capital-raising services. Our bankers advise on everything from privatizations and mergers and acquisitions to debt and equity financings and restructuring. Want in? Apply to become a Full-time Graduate Analyst.

THE FULL-TIME GRADUATE PROGRAM

The Barclays Full-time Graduate Program begins with the Initial Training Program (ITP), which takes place either in London or New York. This provides you with an overview of the firm, its business and its products, as well as introducing you to the work you will be doing in your specific role.

ABOUT FIXED INCOME SYNDICATE

Fixed Income Syndicate collaborates with Banking, Distribution and Trading to co-ordinate issuer supply with investor demand in the New Issue Bond Market. This spans across public syndicate G3 transactions as well as bespoke non-benchmark primary debt issuances within the broader Fixed Income franchise. This is done by establishing a broad network of issuer and international relationships, whilst advising our issuer clients proactively on how they can best raise capital from the Debt Capital Markets and offering investment solutions to the banks investors clients.

OVERALL PURPOSE OF ROLE

Provide support to the team on all benchmark G3 public bond deal execution. Support the firm's efforts to underwrite & distribute MTNs & Structured Notes. This will be done by establishing a broad network of issuer and internal relationships whilst advising our issuer clients proactively on how they can best raise capital from the Debt Capital Markets and offering investment solutions to the banks investor clients.
