We are looking for suitable candidate for the following position.

AIA Future Leaders Program (FLP) 2018

Vision:

We seek early-career professionals with some prior work and leadership experience to embark on a 24 months accelerated learning journey. The journey blossoms through a comprehensive scope of the life insurance cycle and its various business functions with formal leadership and mentoring to spearhead your career growth! We want you to bring diverse thinking and provoke positive change to partner with us to take our business to the next level.

Benefits to joining FLP:

The AIA FLP experience centers on learning the life insurance cycle by rotating through a selection of functions to build foundational excellence and drive strategic initiatives. This real-time, experiential learning is supported by mentoring from both subject matter experts and senior leaders. In addition, the FLP will be working with a reputable executive coach and her team to uplift their leadership capabilities. The experiential learning also stretches beyond Hong Kong with opportunities to complete, if performance criteria are met, a rotation both in the Group Office and in an AIA entity abroad. After successful completion of FLP, he/she will be placed in a meaningful full-time role with promotion possibilities.

Roles and Responsibilities:

- Build knowledge on the life insurance cycle: Handle claims management and underwriting duties. Receive expertise in these areas to be placed in our various service hubs to interface with front-line (i.e. distribution channels, customers) and internal (i.e. employees from other departments) clients
- Acquire client-facing business acumen: Support a business channel (i.e. Partnership Distribution, Agency Business Development, High Net Worth) in both daily initiatives and strategic projects to win in the marketplace
- Gain support function knowledge: Venture into a mixture of Business Strategy & Marketing, Human Resources, Finance and Risk/Compliance to gain tangible knowledge to support business growth
- Participate in cross-functional projects: Support enterprise-wide projects to help AIA win in the marketplace

- Attain relevant accreditations as required by both your business rotation and HR FLP program managers

Job Requirements:

- At least 2 years' work experience. Insurance, financial, multi-national corporation experience is an asset
- Master's Degree in any-related field
- Excellent command of spoken / written English and Chinese (Cantonese and Putonghua)
- Strong fluency in Microsoft Office applications
- Capable interpersonal, communication and analytical skills
- Great collaborative skills with an eye to customer centricity
- Self-motivated to take on challenges and capable to work under ambiguity and pressure
- Innovative and unafraid to challenge the status quo
- Intellectual curiosity to constantly learn new things and comfortable with asking probing questions
- Able to relocate to another Asian locale for a duration of 1-3 months
