

FDM Group HK Limited

FDM is currently seeking a number of ambitious and driven candidates with the aptitude for IT to work as FDM Consultants with our top clients, many of which are leading companies in the banking and financial services industry.

FDM is a global IT and Business services provider with a dedication to technical excellence and professional development and over 200 prestigious clients around the world. Our award-winning training programme helps build the required skills needed to become a successful IT Specialist. As an FDM Consultant, you enter the industry at a high level, already trained to our clients' specific systems and technologies.
