

Recruitment of full-time programmer

Who are we: We are LinkedMarts, a peer-to-peer community shopping platform. We have been in the finals of several startup competitions and we are currently building our prototype.

What are we looking for: Our team currently have two part time programmers and we are looking for a capable full time CTO to help lead the team and scale up the project.

Office: Our office is currently based in iDendron, HKU.

Team: We are a team of six including a founder, two part-time programmers, two UI designers and a marketing specialist.

Attractiveness: 12-16k/month, equity is negotiable.

Skills needed:

Core programming: C++, Java and Python.

Frontend Skills: HTML5, PHP, CSS, jQuery, Bootstrap, MongoDB, ReactJS, NodeJS, MySQL.

Backend Skills: PHP, MySQL, SQL, Ruby on Rails.

If you are interested, feel free to send us an application with your recent work at oscar@linkedmarts.com. We look forward to hearing from you.

The first peer-to-peer community shopping platform in Hong Kong
