Teacher of Economics (Ref: HKUECT18)

We are looking for an Economics Teacher with relevant academic qualifications to join our teaching team. The successful candidate will teach various international curricula and levels according to in-house designed course outlines. You will have opportunities to participate in curriculum design and development. We provide continuous professional development workshops and training to our teachers. If you are passionate about teaching and would like to work in a company with a diverse culture, this is the opening you've been looking for.

Job Responsibilities

- Teach various international curricula and levels in small group or one-on-one lessons
- Design customized lesson plans for students following course outlines
- Execute non-teaching duties such as preparing progress reports, developing and organizing teaching materials
- Assist supervisors in carrying out and participate in academic-related projects such as education seminars
- Communicate with parents regarding students' learning progress
- Report to department heads and the management team

Essential Qualities

- A Bachelor's degree or above in Economics or related disciplines
- Excellent grades and achievement in middle or high school
- Commitment to teaching and student-oriented
- Keen to work in education, especially teaching students from multi-cultural backgrounds and working in an international and culturally diverse company
- Knowledge in international exams and syllabuses is an advantage
- Fluent in English; native English speaker is an advantage
- Responsible, diligent, organized and open-minded towards learning
- Able to work independently as well as in teams in a positive manner
- Fresh graduates with passion in teaching are welcome to apply
- Applicants with more relevant experience may be considered for the position of Senior Teacher

What We Offer

- Prime working location in the heart of Hong Kong;
- Comprehensive training program;
- Career advancement opportunities in a market leader with over 85 full time teachers and over 20 years in the industry;
- Bonus and gratuity schemes, qualifying after 3 months' probation;
- Medical benefits and monthly sponsorship of staff well-being activities;
- Attractive remuneration package to match work experience and educational background.

Salary will be commensurate with qualifications and experience.

Interested parties should send a detailed CV and cover letter with expected salary to recruitment@ntk.edu.hk
