

Graduate Trainee Programme at FTLife

Join us to shape our future together

A graduate career you look forward to:

FTLife Insurance Company Limited (“FTLife”) is the first wholly-owned insurance company in Hong Kong of Tongchuangjiuding Investment Management Group Co. Ltd. (JD Group) which was established in Beijing. JD Capital, a subsidiary of JD Group, listed on NEEQ, was awarded the “Best Private Equity Company” in China for 3 years and “China’s Top 10 Private Equity Firms” for 7 consecutive years.

We are proud to start a new journey and aspire to become a leading insurance group in Asia, based in Hong Kong, with roots in Mainland China. Through leveraging our heritage and formidable advantages both in China and Hong Kong, we are committed to serving both individual and institutional clients with a portfolio brim full of innovative financial protection and wealth management products.

We welcome young talent from diverse backgrounds to make our vision a reality. You will be empowered to share your fresh ideas, challenge the status quo, and encouraged to explore all possibilities that would lead to great business results.

If you are eager to grow, innovative, resilient and able to go the extra-mile, this will be an amazing opportunity to build your career and to make a real impact on our business.
