

About Generali

Generali is an independent, Italian Group, with a strong international presence. Established in 1831, it is among the world's leading insurers and it is present in over 60 countries with total premium income exceeding €70 billion in 2016. With over 74,000 employees in the world, and 55 million clients, the Group has a leading position in Western Europe and an increasingly significant presence in the markets of Central and Eastern Europe and in Asia. In 2017 Generali Group was included among the most sustainable companies in the world by the Corporate Knights ranking.

Job Description

We are seeking interns who can work for **6 months from July until December 2017**. The incumbent will be helping the regional technical and actuarial team on their various dedicated countries projects (pricing, monitoring, technical excellence...)

Specific requirements are as follows:

- Strong in analytical methods;
- Undergraduates and/or fresh graduates with some actuarial related studies, e.g. actuarial mathematics and less than one year of working experience
- Actuarial examination papers passed will be taken into consideration

WHY JOIN GENERALI ASIA AS AN INTERN?

Learning opportunities:

Increased learning and empowerment opportunities with a leading global insurer. Be directly involved in projects that have a huge impact to the organization. Specific KPIs will be provided and measured.

Stand out from the crowd:

As an Intern with Generali Asia, you will have the exposure to specific projects that have direct impact to the organization and to our customers. We will not be asking you to merely photocopy documents and get coffee!

Increased career opportunities & visibility:

We are looking for exceptional talent that may join us upon graduation as a permanent hire in any of our regional and global offices. Work directly with senior leaders of the company, and engage with them on regular basis!

Generali internship alumni:

Be part of the Generali Asia Intern Alumni, whereby we will continue to be in touch with you via tea-talk sessions and other engagements.

Competitive allowance:

We offer competitive internship allowances in comparison to the market.

TO JOIN OUR COMMUNITY, YOU NEED TO BE:

Open minded and curious about the world:

Our teams and customers are global, so you will work in a community with different languages, interests and skills. But we are united by the goal to protect and enhance people's lives.

Passionate about what you do and what we can achieve together:

You are an achiever because you care about your choices and abilities. You will want to drive our success with your ambition and talent. You view things in a simple and smart way, always thinking of new ways to care for our people and our customers.

Aspirational, eager to see yourself and the teams you work in grow – professionally and personally:

You are always looking to improve yourself and lead your own growth, as well as positively contribute to the teams and the environment you work in.
