

Analyst (Corporate Finance), Global Investment Banking, Hong Kong

Hong Kong

About Bank of America Merrill Lynch

Our purpose as a firm is to make financial lives better, through the power of every connection. Across the world, we partner with leading corporate and institutional investors through our offices in more than 40 countries. In the U.S alone, we serve almost all Fortune 500 companies and approximately 59 million consumers and small-business customers. We provide a full suite of financial products and services, from banking and investments to asset and risk management. We cover a broad range of asset classes, making us a global leader in corporate and investment banking, sales and trading.

Connecting Asia Pacific to the World

Our Asia Pacific team is spread across 23 offices in 12 markets. We are focused on connecting Asia to the world and the world to Asia, using our global expertise to ensure success is shared between us, our clients and our communities. Our regional footprint covers 12 currencies, more than a dozen languages and five time zones, placing us firmly among the region's leading financial services companies.

Bank of America Merrill Lynch is committed to attracting, recruiting and retaining top diverse talent from across the globe. Our diversity and inclusion mission is to actively promote an inclusive work environment where all employees have the opportunity to achieve personal success and contribute to the growth of our business. Each of our global Employee Networks bring together employees, create dialogue and awareness in support of our Diversity and Inclusion mission.

Our Business

Global Investment Banking focuses on building long-term relationships with large corporations, financial institutions and financial sponsors, by providing strong advisory expertise and capitalising on powerful M&A, corporate banking, treasury, debt and equity product expertise to deliver integrated financial solutions. We have a significant presence in the Americas, Europe, Emerging Markets (ex-Asia) and Asia Pacific.

Job Description

- Participate in the execution of equity and debt financing and M&A transactions
- Perform in-depth financial, valuation, product and industry analysis, and due diligence
- Prepare pitch books, client presentations and live deal materials
- Build financial / three-statement operating/ leveraged buyout models
- Attend client meetings as you build your network and experience
- Learn from, and work with, teams consisting of professionals drawn from across the business, including senior bankers within your group, experts in other areas of the firm and colleagues from around the globe

Qualifications

- Bachelor's degree or a more advanced degree
 - 1+ years of investment banking or consulting experience
 - Outstanding academic achievement
 - Currently living in Hong Kong, or willing to relocate
- Requirements
- Proficient in Mandarin and English
 - Detailed oriented with strong quantitative and analytical skills
 - Effective verbal and written communication
 - Ability to manage a variety of transactions and projects simultaneously
 - Resourceful self-starter; able to work autonomously
 - A strong team player
 - Demonstrate energy and drive
