At Morgan Stanley, we recognize the importance of having a diverse workforce. As this year’s International Women’s Day (IWD) approaches, a series of virtual events will be organized to celebrate gender diversity at Morgan Stanley Asia.

"You can be that Woman: Celebrating Women at Morgan Stanley" Webinar
To join this webinar, please register for this webinar. Students from any discipline who are interested in working at Morgan Stanley are invited to join! You can be that Woman: Celebrating Women at Morgan Stanley webinar, which will be Morgan Stanley’s virtual leadership program for female students, will be a chance for them to network, learn about the investment banking deal process, and gain valuable insights into what it might be like to work in these areas within Morgan Stanley. The webinar will open to students around the world who are interested in Morgan Stanley Asia.

Women4Tech Global Challenge
Women4Tech is a global challenge that allows female students to experience what our Global Capital Markets Division does best. Participants working in teams will solve unique and challenging technology problems designed by the Firm’s global technologists. Participants, working in teams, will solve unique and challenging technology problems designed by the Firm’s global technologists.

Future Female Traders Program
Future Female Traders is a half-day competition targeting female students who are interested in learning more about a career in Finance and, more specifically, the Sales & Trading function. By participating in the Future Female Traders Program, you will gain insights into the day-to-day roles of our bankers and learn about the most common deals. In the case of a subsequent, a trader and a fund manager, gaining valuable insights into what it might be like to work in these areas within Morgan Stanley.

Women in Banking Workshop
Women in Banking is a case study workshop for female students who are interested in learning more about a career in Finance and, more specifically, the Investment Banking Division and Global Capital Markets Division. Participants will be able to learn about the investment banking deal process, with specific case studies of some of our recent key deals.
