2021 Morgan Stanley Asia Corporate Strategy & Development Analyst Program

Interested to launch your career with us in Asia? Our Hong Kong office offers a 2021 Analyst program in Corporate Strategy & Development. Analysts will have the opportunity to support the Firm's senior management in the development and execution of critical corporate initiatives and business decisions. We would like to invite candidates with a genuine interest in driving the analysis and strategic thinking behind the Firm's top priorities to apply. You should be studying towards or have obtained a **Bachelor's or Master's Degree, either graduating before July 2021 or with less than 2 years of professional work experience.**

This two-year program begins with a Firm-wide orientation to Morgan Stanley's businesses. Your training will continue throughout the summer with a blended approach of structured learning and on-the-job training. There will also be plenty of opportunities to participate in Firm-wide networking, social and charity events.
