

Company Overview

CLSA is Asia's leading capital markets and investment group, providing global investors with insights, liquidity and capital to drive their investment strategies. Award-winning research, an extensive Asia footprint, direct links to China and highly experienced finance professionals differentiate our innovative products and services in asset management, corporate finance, equity and debt capital markets, securities and wealth management. As the international platform of CITIC Securities (SSE: 600030, SEHK: 6030), China's largest investment bank, CLSA is uniquely positioned to facilitate cross-border capital flows and connect China with the world and the world to China. Founded in 1986 and headquartered in Hong Kong, CLSA operates from 20 cities across Asia, Australia, Europe and the United States. For further information, please visit www.clsa.com.

Position Title : Intern, Equity Derivatives

Job location : Hong Kong

Position Description

Throughout the eight weeks, interns will then have access to a variety of CLSA senior management via our speaker events, skills training and mentorship. HR will organise a series of classroom-based training to ensure interns build their industry knowledge, develop technical skills, and enhance personal effectiveness and team-work activities.

Interns will be fully immersed in the daily activities of their allocated department. They will receive support and supervision from our professionals throughout the programme.

Key Areas of Responsibilities

- To provide the junior support for the equity derivatives business
- To support the sales team in preparing marketing materials
- Conduct market research on equity derivatives products

Requirements

- Degree holder in Mathematics, Statistic, Finance, Engineering or related discipline(s) who are currently in penultimate or final year of study, fresh graduate are welcome
- Fluent in English and Chinese
- Strong motivation to learn, think fast and critically, solve various problems arising from trading, risk control and operation
- Attention to details, accuracy, time management and work under pressure, ability to collaborate and work as a team
- Basic understandings of vanilla, and exotic/delta one products for equities
- Prior internship experiences in using Python/VBA or some programming skill is a plus

If you are seeking a dynamic environment in which to build your career in CLSA, please send your resume to recruitment@clsa.com. Kindly specify the position title in the email subject for job application.
