

# What will you create?

## Applications Now Open 2021 Morgan Stanley Operations Full-Time Analyst

Morgan Stanley believes capital has the power to create positive change in the world. The biggest and most impactful changes come from people like you.

Interested to launch your career with Morgan Stanley in Japan? Keen to develop professional operations skills in financial services? We are now hiring for Operations Full-Time Analysts in our Tokyo office.

[Full-Time Analysts](#) start their Analyst Program with a Firmwide Induction Day, followed by an intensive Core Training Program covering topics across products, policies and risk, to soft skills and technical skills. Analysts will also have exposure to guest lecturers, career development sessions, social and networking sessions. Teambuilding activities and project work will also be included to further strengthen technical understanding as well as soft skills. Throughout the Program, Analysts will receive thorough on-the-job training across two different functions, continued classroom and online based training, as well as ongoing mentorship and guidance from mentors and designated Officers.

### Who we are looking for:

- Graduating between August 2020 and September 2021
- Excellent leadership, analytical, and communication skills
- Team player who can work in a collaborative environment
- Attention to detail, exercise sound judgment and can handle sensitive information with discretion
- Strong time management and multitasking skills and can handle multiple responsibilities and projects with competing priorities and deadline
- Problem solving skills and the ability to streamline processes in a fast-paced and dynamic environment
- Positive, can-do attitude and willingness to get the job done
- Proactive, motivated, and possess poise and self-confidence
- All majors (disciplines) are encouraged to apply
