2020 Women Immersion Event: Engineering

Goldman Sachs invites students graduating between 2021 - 2023 to attend a virtual insight session to learn about career opportunities in our Engineering Organization, and how to succeed in the recruitment process.

Selected participants will have the opportunity to:

• Learn about Goldman Sachs & meet its Engineering Professionals
• Learn about our Engineering innovations that drive the firm’s solutions
• Receive preparation for the recruiting process & tips to be successful
• Understand what it’s like to be an Engineer at Goldman Sachs

This session is by invitation only. Please register by **August 16, 2020**. Email confirmations will be sent to shortlisted applicants.

**August 21, 2020**
11:00 AM - 12:30 PM (HKT)

**How to apply?**

• Scan below QR code
• Select "Register for Events"
• Search "Hong Kong" for "Location"
• Search for "2020 Women Immersion Event" and follow the instructions to register

**Make things possible.**
