

Come join us for our 2020 Strategy & Operations (S&O) Insight Day with Deloitte Consulting for an extraordinary future!

Dear Students,

As we embark on a new school season in high spirits, embracing new beginnings and challenges, Deloitte has opened for you the door to a future full of opportunities!

Deloitte's 2021 campus recruitment is in full swing, and students who are passionate about consulting must not miss this opportunity: an invitation to participate in Deloitte's online S&O Insight Day.

About Deloitte Strategy & Operations Consulting

Our Strategy & Operations (S&O) Consulting team enjoys an unrivalled position in the market: combining the scale and strength of the world's largest professional services firm with the cutting-edge nature of a boutique consultancy.

We work with clients in a wide range of domains and industries, and create long-term value for our clients through integrating strategic vision design with operational implementation.

We provide our people with challenging and empowering growth opportunities, as well as an international platform, so that talent can create unique value, break norms and conventions with critical thinking, lead innovation and change, and transform the future business landscape as part of an excellent team.

Join us for the opportunity to stand at the forefront of global business innovation, witness the implementation of Artificial Intelligence, FinTech, Smart City initiatives and other projects, and participate in creating blueprints for the future of retail, medical, industrial and transportation industries.

Create extraordinary achievements through communicating face-to-face with the senior management of clients, truly understanding the logic behind developments of industry, putting forward innovative insights, improving our clients' operational efficiencies, to ultimately gain an unprecedented sense of accomplishment!

Want to learn more about all aspects of Deloitte Strategy & Operations Consulting? Sign up for our online S&O Insight Day! At this event, you will:

- Learn about the business lines of S&O
- Understand the work and life of a S&O consultant
