## 2020/21 Off-Cycle Trading Internship Global Markets, Hong Kong and Singapore

Oct – Dec 2020 | Jan - Mar 2021 | Apr - Jun 2021 | Jul - Sep 2021

### Who we are

Nomura is an Asia-based financial services group with an integrated global network spanning over 30 countries. By connecting markets East & West, Nomura services the needs of individuals, institutions, corporates and governments through its three business divisions: Retail, Asset Management, and Wholesale (Global Markets and Investment Banking). Founded in 1925, the firm practices disciplined entrepreneurship while building on a long tradition of serving clients with creative solutions and considered thought leadership.

### About the Program

This internship is focused on the Trading function within Global Markets. Nomura has several trading businesses spanning Macro FX & Rates, Credit and Equities. The internship would provide an opportunity for candidates who have a strong interest in trading as a career to gain access to some of the best senior traders in Asia. Candidates who display clear aptitude may potentially be offered a full time permanent opportunity with the firm after the internship as a first year analyst within the trading function.

### 4 x Off-Cycle Internships:

- Oct – Dec 2020
- Jan – Mar 2021
- Apr – Jun 2021
- Jul – Sep 2021

### About Trading

The strength and experience of our trading teams underlies our dominant position in several of these business in Global Markets APAC. We endeavor to provide interns with the same level of exposure as a first-year analyst, participating as a full members of the team. As an intern, we expect you to demonstrate passion and aptitude towards trading financial markets and display a strong commitment to Nomura's goals and values.

### About You

A successful career in trading involves tremendous passion for markets and a high degree of discipline. We recruit graduates and interns with a high level of academic and extra-curricular achievement, who will be able to thrive in a rapidly changing, demanding but ultimately rewarding environment.

### Eligibility

Candidates applying for this Off-Cycle Trading Internship program must be available to commit for the entire duration of the internship and commence for Graduate Analyst Program in early Aug 2021 or 2022. Fluency in written and spoken English is required, while additional Asian language skills will be a value-add.
