

# About AfterSchool

[AfterSchool Education Limited](#) is a fast growing EdTech company that aims at **providing high school students with a highly-personalized, interactive, affordable & healthy learning environment**. By uniquely combining gamification, technology and learning pedagogies, we allow students to learn at their own pace with our personalized online courses and encourage them to discuss and help each other.

At AfterSchool, we embrace differences and value your opinions. If you really want to make an impact on the education industry, you are at the right place. Together, We Can Disrupt HK Education.

## Our Achievements

- DBS-NUS Social Venture Challenge Asia, Experian Powering Opportunities Award
- Cyberport Incubation Program, Incubatee
- HK Social Enterprise Challenge 2017 (HKSEC), 1st runner up
