

Finverse Technologies Limited - FinTech software engineering intern (full-time / part-time) | Deadline on 30 Nov

To: All HKU students and fresh graduates in Computer Science or equivalent programmes,

Finverse Technologies Limited (<https://www.finverse.com>), a HK-based FinTech startup, is inviting applications for **FinTech software engineering intern (full-time / part-time)**.

Job Specifications and Application Method

They are looking for talented software engineering interns (or new grads) from top-tier computer science or related programs to join our existing team of 5 engineers. This role is a unique opportunity to get hands-on experience building a high-quality software platform, working with a state-of-the-art technology stack.

The internship can be undertaken either part-time or full-time, and offers flexible start/end dates so you can adapt it to your academic schedule.

For details, please visit NETjobs at <http://cedars.hku.hk/netjobs>:

- **Full-time internship: Job ID G2001392**
(Full-time local students studying in STEM programmes can take part in the STEM Internship Scheme. Details please refer to <https://www.cedars.hku.hk/stem/student>.)
- **Part-time Internship: Job ID G2001419**
(For students and fresh graduates)

Application Deadline

30 November 2020 (Monday)

Juliann Ho
