
China Securities (International) Recruitment

About CSCI:

China Securities (International) Finance Holding Company Limited (“CSCI”), a wholly-owned overseas subsidiary of China Securities Co., Ltd., was established in Hong Kong in July 2012. As a full-service investment bank, we provide a wide range of products and services to our corporation, institutional and wealth management clients. We have built a cross-border business service platform which brings Mainland clients to the world and helps overseas clients explore investment opportunities in China, in a bid to bridge clients in the capital markets at home and abroad.
