

Accelerator Scheme (2-year programme) Hong Kong

We are looking for our FUTURE CHANGEMAKERS!

Are you a young professional, with 1.5+ years' work experience, who is a high performer? Do you thrive in dynamic and challenging environments? Then apply for our two-year accelerator scheme!

Our two-year accelerator scheme offers you the opportunity to undertake 2-3 placements over a 2-year period within different areas of our business. You will be exposed to both project-based and operations-focused roles.

You will have the chance to fast-track your career in a highly supportive team environment, whilst rapidly developing your skills and experience. You will go through a comprehensive development programme to gain real life operations and managerial training. We will offer you great opportunities to build a professional network and gain significant exposure to senior stakeholders across the business.

What You Will Need:

- At least 1.5-3 years' work experience
- Proactive and adaptive with the ability to manage ambiguity
- Exceptional commercial acumen with a high learning agility
- Appetite for an ambitious career within the dynamic retail industry
- Aspiring future leader looking to propel your career
- Have a 2:1 degree or higher or a GPA score of at least 3.0
- Fluency in English is required, German would be advantageous

What We Offer:

- Excellent salary and benefits
- Fast-tracked career development through our management training program
- Guided career support through our mentorship scheme
- Networking opportunities
- Sponsored German language lessons
- Flexible working arrangements

How To Apply:
