

Careers at ACCENTURE

Accenture is a leading global professional services company, providing a broad range of services in **strategy and consulting**, **interactive**, **technology** and **operations**, with digital capabilities across all of these services. Combining unmatched experience and specialized skills across more than 40 industries and all business functions—underpinned by the world's largest delivery network—Accenture works at the intersection of business and technology to help clients improve their performance and create sustainable value for their stakeholders. With 506,000 people serving clients in more than 120 countries, Accenture drives innovation to improve the way the world works and lives. Fortune Global 500. NYSE:ACN

Why join Accenture?

We're all about "the New,"— new ideas, new technology, new solutions and new talent. We give young professionals the opportunity to drive change with cutting-edge technology.

Final Year Students are invited for our graduate opportunities!

Consulting Analyst Program (CAP)

Consulting Analyst Program in short form CAP is a well-designed systematic and personalized development program for each of our new grad joiners – the analysts. It offers you a wide exposure in project experience across industries and digital disciplines enabling you to grow fast both personally and professionally. Through the broad exposure, we aim to train future functional experts across our Strategy & Consulting, Technology and Interactive services.

CAP Opportunities

- Strategy & Consulting Analyst
- Technology Consulting Analyst
- Interactive Consulting Analyst
