## **Sino Group Corporate Management Trainee Programme**

The Corporate Management Trainee Programme is a 20-month fast track development programme for energetic and ambitious young talents who would like to develop a successful career with Sino Group. You will go through the following:

- Rotate through major business functions for on-the-job training
- Go through a customized training curriculum in specific business, management and personal development areas
- Receive coaching, mentoring and shadowing opportunities for ongoing personal growth and professional development
- Develop his/her potential and capability by undertaking various projects and delivering regular presentations/recommendations to the management

### **Requirements:**

We're looking for enthusiastic, proactive graduates:

- from a local or overseas university with less than 2 years of working experience
- with genuine interest to build a career in the real estate and property development industry
- with strong business acumen and exceptional analytical skill
- with a drive to challenge the status quo
- with outstanding interpersonal and communication skills, and enjoys working with people
- with self-motivation. A fast-learner, persistent and confident

If you believe you possess what we are looking for, we would like to hear from you.
