HONG KONG TRAINEE SOLICITOR PROGRAMME

WHY INCE?

We have expanded our office in Hong Kong last year and continue to grow. You will have an exciting opportunity to work in a wide range of general and specialised practice areas: shipping, international trade, insurance, energy & infrastructure, banking & finance, corporate/M&A, construction and dispute resolution. Most of our work is, by its nature, international and complex. You will get heavily involved in both contentious and transactional matters.

We have an open, friendly culture and you will enjoy the full support of your partners and solicitors as they share their experiences with you. In return, we will help you to realise your ambition to become a first class lawyer with an international outlook.

We are currently accepting applications for our 2021 summer internship and 2021 trainee solicitor programme, the application deadline is **30 September 2020**.

To **apply** for summer internship and/or trainee solicitor programme, please send email to AsiaRecruitment@incegd.com
