

## 2022 OCBC Wing Hang Graduate Talent Programme

Designed for graduates with up to two year of working experience who aspire to carve a career in banking, you will get a head start with our OCBC Wing Hang Graduate Talent Programme. We have carefully designed a 24-month structured programme with an opportunity to gain exposure from front to back office of the bank to help you build a strong banking foundation to achieve your career goals in the banking industry.

Here in OCBC Wing Hang Bank, we value the growth of every individual. We are here to help you take on the future of banking with us. We say that there's no better investment than the one in your own skills and growth.

**Join us to become the next Graduate Talent of the future!**

We seek passionate go-getters with high levels of motivation and drive, those who are interested in an accelerated career in the banking industry.
