

China Power International Holding Ltd.

Who we are

China Power International Holding Ltd. ("CPIH") was incorporated in Hong Kong in 1994, and served as an overseas financing window of the former Ministry of Power. In 1998, it was reorganized as a wholly-owned subsidiary of the State Power Corporation ("SPIC"). CPIH mainly engages in development, investment, construction, operation, maintenance and electricity retail of foreign power projects, which include hydro, wind, solar, integrated smart energy, gas-fired, biomass, waste-to-energy and hydrogen, etc.

SPIC, top three Chinese State-owned IPPs, is a conglomerate in power generation, photovoltaic manufacturing, coal mining, aluminum processing, logistics, finance, and environmental protection.
