Atkins - 2022 Graduate Engineer Programme - Firm Visits on 7 / 14 / 21 Jan 2022

Atkins 2022 Graduate Engineer Programme (Civil & MEP Engineering) has been launched and it is now open for application until **13 Mar 2022**. Final-year students who are interested in developing a career in engineering field are welcome to apply. We welcome all students in any engineering disciplines to join us, including but not limited to Civil Engineering, Building Services, Electrical and Mechanical Engineering. The job details would also be available online [here](#).

Moreover, there will be a Firm Visit to Atkins in coming January too! It provides the undergraduates from different engineering disciplines an exclusive opportunity to learn more about Atkins and how the consultancy firms work. Students will have chance to learn more about our Early Career programmes and experience our spirited community. An office tour, presentation by the experienced and professional Engineers, a Q&A session and a Networking session will also be included in the visit. Details of the firm visit are as follows:

**Date:** 7 / 14 / 21 January 2022 (Friday)

**Time:** 2:30 pm – 5:00 pm

**Venue:** Atkins Hong Kong office, TST Harbour City

**Fee:** FREE

**Quota:** Maximum 20 per session (on a first come, first served basis)

**Deadline of application:** 31 December 2021 (Friday)

APPLY NOW! [Click here](#)
At Atkins, we aim to inspire young people and encourage you to consider a career in the engineering sector. We identify participants for our graduate programmes through a formal recruitment process.

2022 Graduate Opportunities from the below business lines:

1. Geotechnical
2. Tunnel & Ground Engineering
3. Highways & Transportation Infrastructure (HTI) (Bridge/Airport/PM/ Traffic)
4. MEP (Mechanical)
5. MEP (Electrical)
6. MEP (Fire Safety/ Plumping & Drainage)
7. Structure
