

The 9th Hong Kong University Student Innovation and Entrepreneurship Competition

Dear student,

It's time for our annual highlight innovation and entrepreneurship event for higher education institutions again! In our 9th annual competition, the winning innovation projects will continue to represent Hong Kong in the “Challenge Cup” National College Students’ Extracurricular Academic Science and Technology Contest which is recognized as the "China youth innovation and entrepreneurship Olympic" while the winning entrepreneurship projects will enter the China International College Students' "Internet + " Innovation and Entrepreneurship Competition and/or the “Challenge Cup” China College Students Entrepreneurship Competition, which are known as "the best and biggest roadshow platform worldwide" and the “the biggest platform of Chinese young entrepreneurs” respectively.

Wanna showcase your entrepreneurial skills and talents? Wanna turn your innovative dreams into reality? Wanna meet more similar great minds? Visit this website now (www.hkchallengeplus.com) to learn more about the competition and important dates. Don't miss this golden opportunity to thrive; submit your application right now!
